

That's Not the Answer

Dionne Warwick

After you left me
I try forgetting you
But going to parties
And seeing someone new each night

But I found that's not the answer
That's not the answer
No matter what I do
I miss you more every day
Running away
That's not the answer
Oh, no

I'll stay at home now
And play the radio
I've gone to the movies
Till I've seen every show in town

But I found that's not the answer
That's not the answer
You're always in my heart
And in my heart you will stay
And that's why I say
You are the answer

But I found that's not the answer
That's not the answer
I'm still in love with you
That's how it always will be
Come back to me
You are the answer
You are the answer
You are the answer
You are the answer
You are, you are, you are the answer
You are, you are the answer...
