

## The April Fools

Dionne Warwick

In an April dream  
Once she came to me  
When you smiled I looked into your eyes  
And I knew I'd be loving you  
and then you touched my hand  
And I learned April dreams can come true

Oh are we just April fools  
Who can't see all the danger around us  
If we're just April fools  
I don't care, true love has found us now

Little did we know  
Where the road would lead  
Here we are a million miles away from the past  
Travelin' so fast now  
There's no turning back  
If our sweet April dream doesn't last

Are we just April fools  
Who can't see all the danger around us  
If we're just April fools  
I don't care, we'll find our way somehow  
No need to be afraid  
True love has found us now
