## The Good Life

## **Dionne Warwick**

Oh, the good life, full of fun seems to be the ideal Yes, the good life lets you hide all the sadness you feel You won't really fall in love for you can't take the chance So be honest with yourself Don't try to fake romance

It's the good life to be free and explore the unknown Like the heartaches
When you learn you must face them alone
Please remember I want you
And in case you wonder why
Well, just wake up, kiss the good life goodbye

You just wake up, kiss the good life goodbye
