

The Magic Of Believing

Dionne Warwick

Miracles for you
The magic of believing will help you reach your goal
If you believe with all your heart and soul
The magic of believing will
Bring you joy untold
The wonders of the Lord will all unfold

Oh, seek and ye shall find
The long-lost peace of mind

All you do is pray
And He will lead the way

The magic of believing will
Start your life anew
Believing will work miracles
Work miracles for you

Oh, seek and ye shall find
The long-lost peace of mind

The magic of believing will
Start your life anew
Oh, believing will work miracles
Work miracles for you
