

Two Ships Passing in the Night

Dionne Warwick

Here you come again
Wanting me to think you really care
I, I know the games you play
I know 'cause you played with me that way

You say you need me
And you want
You want my love again
Ain't it strange that

Now we seem to be like
Two ships passing in the night
Yes we seem to be like
Two ships passing in the night
In the night

I hope you see my friend
That our love affair just had to end
I kept coming back for more
But you had closed the door
Your heart had changed

Well I thought that I
Would surely die
But time has healed the pain
And yes it's strange that

Now we seem to be like
Two ships passing in the night
Yes we seem to be like
Two ships passing in the night
In the night

Now I know for sure
That I have let go
You can go and stay, stay away

I hope you see my friend
That our love affair just had to end
I know that I kept coming back for more
But you had closed the door
Your heart had changed

Well I thought that I
Would surely die
But time has healed the pain
And yes it's strange that

Now we seem to be like
Two ships passing in the night
Yes we seem to be like
Two ships passing in the night
In the night
