I did acid with Caroline
And we both had a really good time
We talked 'til two in the morning
Playing a record and I showed her some drawings

I did acid with Caroline
And we were one

We climbed on top of the building
And looked out over the city
The night was cool, the wind was blowing
There were dead ... everywhere

I did acid with Caroline
with ...??? candles all night long
She showed me strange books of black magic
My head was really spending
