

## Another Queen

Diorama

Systems slaved to secrets  
Wisdom unsuspecting quest  
Silence holy true old friend of mine  
Timid tries to race me down

Another episode of wild complains  
Closes chapters of childish struggle inside  
Pale naked as now thoughts cannot deny  
The purpose of neglecting lies

Withered fairy all my dedication  
All my love for you

Belive in the signs I dram on your skin  
Secrets now told as final advice

Belive in the signs I dram on your skin  
Another queen that will never rise
