Exploitation

Have you been here for a reason?  
Have you been here in our favour?  
Have you left more than a fake?

I'm roaming the sea I'm roaming the sea I'm roaming  
The sea I'm roaming the sea I'm roaming the sea I'm  
Roaming the sea I'm roaming the sea I'm roaming the  
Sea I'm roaming the sea I'm roaming the sea I'm  
Roaming the sea I'm roaming the sea I'm roaming the  
Sea I'm roaming the sea I'm roaming the sea I'm  
Roaming the sea

Drag me in the storm  
Sell my soul to strangers  
Keep me blissfully numb  
Forget the borderline  
Forget who I am  
Forget who I am

Antimatter  
I just cannot find the reason  
Every pore in self-cancellation  
Who invented the great thirst?

I'm roaming the sea I'm roaming the sea I'm roaming

The sea I'm roaming the sea I'm roaming the sea I'm  
Roaming the sea I'm roaming the sea I'm roaming the  
Sea

I strain to hear you  
And my head spins with silence  
I will blarney my way out  
Self-aware into oblivion

Drag me in the storm  
Sell my soul to strangers  
Keep me blissfully numb  
Forget the borderline  
Forget who I am  
Forget who I am

Race me down the flood  
Bring me to the gallows  
Then we'll get another chance  
We're always getting one  
Forget who we are  
Forget who we are

Once I had a little game  
I liked to crawl back in my brain  
I think you know the game I mean  
I mean the game called insane
