

All Good

Dipha Barus

Lights out
The ghost that you've been chasing coming closer
In the night's out
The ones you thought are hidin' undercover

Now it's gone
You go ahead, keep what I said
Keep holding on
I'm sure it's gone
You go ahead, keep what I said
Keep moving on
We won't let ourselves down

Hey, ho!
Gotta let go
All your sorrow
All of the love for tomorrow,
I know we're gonna be stronger than you'll ever known

Hey, ho!
Gotta let go
All your sorrow
All of the love for tomorrow,
I know it's gonna be
It's all good
It's all good

Have you wondered
Why we were never meant for one another
Cure my hunger
I'm craving for the good time to recover

Now it's gone
You go ahead, keep what I said
Keep holding on
I'm sure it's gone
You go ahead, keep what I said
Keep moving on
We won't let ourselves down

Hey, ho!
Gotta let go
All your sorrow
All of the love for tomorrow,
I know we're gonna be stronger than you'll ever known

Hey, ho!
Gotta let go
All your sorrow
All of the love for tomorrow,
I know it's gonna be
It's all good
It's all good

It's all good
It's all good

It's all good
It's all good

It's all good
It's all good
