

BATARA

Dipha Barus

Take me home to places I feel I belong
Take me home a place where I can sing my song

All my life
I've been searching for you left and right
All this time
You've been dancing in the corner of my mind

Batara
Batara, ah-ah
Batara
Batara, ah-ah
Batara
Batara, ah-ah
Batara
Batara, ah-ah

Give the location, so I can go
Wanna, wanna find the antidote
Even if you don't know what to look for
Don't you wanna see the collision?
Better than you've had ever before
You gave me a taste, now I want more
Open up, let me see you

All my life
I've been searching for you left and right
All this time
You've been dancing in the corner of my mind

Batara
Batara, ah-ah
Batara
Batara, ah-ah
Batara
Batara, ah-ah
Batara
Batara, ah-ah
