

Barely Standing

Diplo

When the beat drops, that's when I get low
Give it to me raw
Give it - give it to me, slow - slow
I'm just trynna cut
Then I - Then I want you down
I'm just trynna cut
Watch me back it up, slow - slow
Watch me back it up
Watch me back it up, slow - slow
Watch me back it up
Watch me back it up, slow - slow
Watch me back it up
Watch me back it up, slow - slow
Watch me back it up
Shake it on that floor
The-the-the-the-these
Oooh! Uh-Oooh!
I am barely standing Oooh! Uh-Oooh!
I am barely standing Oooh! Uh-Oooh!
I am barely standing!
Barely standing-ing-ing-ing-ing
Back it on up - uh
The-the-the-the-these
When the beat drops, that's when I get low
Give it to me raw
Give it - give it to me, slow - slow
I'm just trynna cut
Then I - Then I want you down
I'm just trynna cut
