Yo
Big Dada
Tell them for me now!

Full time when i get in my whims
Mash up the place and me run things
Not cause of love
Cause of little bling blings
Dubs, roses and diamond rings
Quick time i look up on tour
Limousine, yeah, don't know the score?
Me like them jeans, me might buy more
Him tune gonna sell out the store

Have you heard the newsflash?
This here gonna stack some cash
Gonna make it last
You better know that
Have you heard the newsflash?
This here gonna stack some cash
Gonna make it last
