Do Si Do

Diplo

Favorite part of a honky-tonk
Them Daisy Dukes and badonkadpnks
Turn it up till the music blows
Boom, boom, boom, now strike a pose
Let me see ya get tipsy
Get loose, gettin' frisky
Baby, lemme see ya favorite move
Break it down, lemme see what you can do

Ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Lemme see you throw it down and do si do
Ugh, ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Lemme see you throw it down and do si do

Lemme see you throw it down and do si do
Lemme see you throw it down and do si do

Put your towel in your right hand
Spin it round like a ceilin' fan
Clap two times, three times
Four times
You had too many shots
Baby girl, don't lose ya spot
Showdown, rewind
Some of y'all done lost y'all mind

Ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Lemme see you throw it down and do si do
Ugh, ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Lemme see you throw it down and do si do

Lemme see you throw it down and do si do
Lemme see you throw it down and do si do

Ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Lemme see you throw it down and do si do
Ugh, ugh, ugh, do si do
Ugh, ugh, do si do
Ugh, ugh, do si do
Freeze, and catch the breeze
