

Make You Happy

Diplo

All I really want is just to make you happy
All I really want is just to let you breathe
All really want
All really need
All really feel
All I really want is just to make you happy

It's all these things
That I can't say
It's all these things
That I can't feel

All I really want is just to make you happy
All really want is just to let you breathe
It's all I really want
All really need
All really feel
All I really want is just to make you happy

It's all these things
That I can't say
It's all these things
That I can't feel
