```
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Bassline for all of my people movin' around
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Bassline for all of my people movin' around
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Bassline for all of my people movin' around
Bass- to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Bassline for all of my people movin' around
Bassline- to death- hot
We swingin' it from right to left
Bassline- to death- hot
We swingin' it from right to left
Bassline for all of my people movin' around
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Bassline for all of my people movin' around
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
Hot to death, we swingin' it from right to left
```

Hot to death, we swingin' it from right to left

Bassline for all of my people movin' around

Bassline— to death— hot
We swingin' it from right to left
