

# Wasted

Diplo

Ridin' uptown, tryna overdo things  
Eatin' up tales got me dreamin' lucid  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted  
Roll it up, sherm like it's Backwood  
Need another one to burn, then I'm all good  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted

Noticin' everybody's part of my mind  
Maskin' the pain with ketamine and wine  
I'm sad and happy at the same damn time  
I think I found my new best friend  
The pistol on the counter keeps starin' at me  
I threw away the bullets and I gave it away  
'Cause life's so much sweeter when you taste it  
Bring me back to life when I'm wasted

Ridin' uptown, tryna overdo things  
Eatin' up tales got me dreamin' lucid  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted  
Ridin' uptown, tryna overdo things  
Eatin' up tales got me dreamin' lucid  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted

I'm broke down and alone  
Half-alive, half-dead and gone  
I'm seein' things up late on the phone  
Talkin' to people that ain't even there  
Alcohol medicated  
Blurry sight and I'm faded  
Can't find the cure that I've been chasin'

Just bring me back to life when I'm wasted  
Ridin' uptown tryna overdo things  
Eatin' up tales got me dreamin' lucid  
Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted

(Whoa)

Just bring me back to life when I'm wasted  
Just bring me back to life when I'm wasted
