Diplo

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah

Last night, me and my squad went zoo  
Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo, woo  
Last night, me and my squad went zoo  
Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo

Last night we had this bitch lit  
Last night we had your bitch lit  
Bottle poppin' with the clique, clique  
All because she know the clique lit  
Way, way, way too lit, yeah  
Way, way, way too bent, yeah  
Sideline, they watchin'  
Multiply my pockets

Last night, me and my squad went zoo  
Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo, woo  
Last night, me and my squad went zoo  
Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo

Last night, we had it loco (it's lit)  
Faded off them coco losos

Don't knock it 'til you try it

Last night, me and my squad went zoo  
Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo, woo

Cliqued up and multiplied by two  
Know they watch, I gotta watch my moves  
But last night me and my squad went zoo
