

Joukei to karami tsuku natsukashi
Saga dokudoku to kirei dakara

Prey
It dwells in me

Toki kuu oroka ni urei koe wo
Agereba nani tokoro karaka
Yume wo yaka re
Iki ru koto ga tooi mamade

Adore

Houchi purei tsuru hana bira
Kusatte ku mirai nara
Zei ni umo re katsue
Wa kuchi wo saku

Kono mune ga
Hari sakebu hi wo

Mezame wa itsukara hajimaru doa
Wo uchi nara su kemono tachi
Ima da ryoute
Awa se sugaru kami koroshi

O mae to sabi ta yoru
Koe te iko u nando demo

Shita namezu risuru henbou
Ni kusuri tsuke no daichi de
Kore ijou nani wo koroshi, ubae bai?

A round of applause for the prey
Adore

Machi nozomu wa
Namaata taka i kaze wo uke te
Kiga chigau suzu
Yura sukara, saa

To hell
