[English translation:]

A world where anyone is forgiven

And from back in the day when I had faith, nothing is different

As I stand shoulder to shoulder with the days when I couldn't stand my ground

I can see from a new perspective, as an exchange for the scar

No matter how cruel the world is

Here, the place which welcomes you is one with the confessed answer

"That is me, This is me"

The ugly heart that is sown together

Just being your beautiful self is fine

No matter how cruel the world is

Here, the place which welcomes you is one with the confessed answer

Even if it's a cruel world, I will have faith

To take a vow, not tomorrow but right here, right now

The layered memories made by a pair of eyes which every man has

Living in the mundane moment

Layering it with you
