

Kodoku ni Shisu, Yueni Kodoku. [Live]

Dir En Grey

I have lived in restrict I want to disappear more then to forge
t

I laugh back at people like you, who act like you understand

You people just live on laughing, saying something good will ha
ppen tomorrow

There was always something different about you

and me and

the way you talk from the beginning

It's not unusual anymore to get hurt by you

Just wishing it wasn't real is my only negative way to escape..

.

ash to ash

I am just garbage with an umbrella So give me my dream

I am used to hiding underneath the umbrella So I want you for m
e

Can you hear me?
