Baby, I see this world has made you sad

H7 E

Some people can be bad

A F# B H C#mi7 H

The things they do, the things they say,

E H7 E

But baby, I'll wipe away those bitter tears

H7 E

I'll chase away those restless fears

A F#/B H C#mi7 H

That turn your blue skies into gray,

Why worry, there should be laughter after the pain

A H E

There should be sunshine after rain

A H E

These things have always been the same

A H E

So why worry now

Baby when I get down I turn to you

And you make sense of what I do

I know it isn't hard to say

But baby just when this world seems mean and cold

Our love comes shining red and gold

And all the rest is by the why

Why worry, there should be laughter after pain

There should be sunshine after rain

These things have always been the same

So why worry now

Why worry now
