

## Arson Hero

Direct Hit!

Shut the fuck up, it's 1AM  
And we'll be leaving in an hour or 2  
I've been drinking since 3 yesterday  
So I can 4get about what we're gonna do, yeah I've got  
5 gallons of gas in the car  
In tanks numbered 6, 7 and 8  
910 is the building we stop, we'll burn the motherfucker today  
Well 11's the apartment and 12 is the floor  
And 13 is your unlucky date  
Friday end of the week he laid off, another 14 people who say

Another 15 minutes we'll be heroes and then  
We go and split the 16 beers in the car,  
Watch the 17 stories collapse,  
And feel like we're 18 again, so come on

I've got another 19 inches of fuse in the car  
That should give us 20 seconds to run  
We're only 21 blocks from the spot  
Where 22nd is the 23rd one  
Well there's 24 hours in the average day  
But it'll feel like 25 by the end  
The stress of well-laid plans can leave a 26 year old man  
Feeling like he's 27 if he's gotta spend

Another day, another hour  
In this crisis situation that you know we are in
