

Let's Go Crazy

Dirty Honey

Dearly beloved
We are gathered here today
To get through this thing called life
And if the elevator tries to bring you down
Go crazy

And if you don't like
The world you're living in
Take a look around you
At least you got friends

I called my old lady
For a friendly word
She picked up the phone
Dropped it on the floor
"Uh uh" is all I heard

And are we gonna let the elevator
Bring us down

Let's go crazy
Let's get nuts
Search for the purple banana
Before they put us in the truck

We're all excited
But we don't know why
Maybe it's 'cause
We're all gonna die

And when we do
What's it all for
You better live now
Before the grim reaper come knocking at your door

And are we gonna let the elevator
Bring us down

So let's go crazy
Let's get nuts
Search for the purple banana
Before they put us in the truck

So let's go crazy
Let's get nuts
No

And are we gonna let the elevator
Bring us down

Dr. Everything'll Be Alright
Gonna make everything go wrong
Dr. Everything'll Be Alright
Will make everything go wrong

He's coming
He's coming

Let's go crazy
Let's go crazy
