

Gimme Bread

Dirty Projectors

Gimme bread

Raven hops up to scavenge
The feathered nest
Daisies arrayed like mouths to be fed
Shouting out in the street:
Conspiracy!
Everyone is gasoline
Gimme bread

Just something for the table
Something for while we're waiting
Something that keeps the plate full
We want bread
Gimme bread

Plot points in all directions
The branches bend
One small percent of one small percent
Raven hops into frame
Surprisingly tame
Everyone is the same
We want bread

Something to make a sandwich
Something to pay the rent with
Something so I can spend it
Gimme bread
Gimme bread
Gimme bread
Gimme bread
