

Isolation

Dirty Projectors

People say we got it made
Don't they know we're so afraid
I-solation
We're afraid to be alone
Everybody got to have a home
I-solation

Just a boy and a girl
Trying to change the whole wide world
I-solation
The world is just a little town
Everybody trying to put us down
I-I-solation

I don't expect you to understand
After you've caused so much pain
But then again, you're not to blame
You're just a human, a victim of the insane

We're afraid of everyone
Afraid of the sun
I-solation
The sun will never disappear
But the world may not have many years
I-I-solation
