

Por Qué No

Dirty Projectors

I wanna live in the ocean
I wanna sleep as I swim
Don't have electroreceptors
Haven't grown a dorsal fin

Why not save the rest for later?
Why not meet the day together?
Why not, why not?
Save the rest
Why not, why not?
Save the rest
Why not save the rest for later?

I wanna eat all the ice cream
I don't wanna go to bed
Let's stay up late, watch a movie
Or catch up on Billions instead

Why not save the rest for later?
Why not meet the day together?
Why not, why not?
Save the rest
Why not, why not?
Save the rest
Why not save the rest for later?
