

When the World Comes to an End

Dirty Projectors

I'm not sure I know
What I know is right and true
What I don't know
I'm sure I feel, right now, with you

When the world comes to an end
I will have loved you
For a long time
For a long time

When I saw your slight smile
I wanted to know you
Until the day, that I die
I am in love with you

When the world comes to an end
I will have loved you
For a long time
For a long time

When the world comes to an end
I will have loved you
For a long time
For a long time
