DIRTY RADIO

Row row my boat down river, floating up stream to get my head clearer

Go go, don't be a quitter, give 'em everything you got uh

Row row my boat down river, goin' upstream to get my head clearer

Go go, dance and deliver, get'em all up to get down

Row row my boat down river, floating up stream to get my head clearer

Go go, don't be a quitter, give'em everything you got uh

Row row my boat down river, floatin' upstream to get my head clearer

Go go, dance and deliver, get'em all up to get down
