

Untouchable

DIRTY RADiO

Took all my money out the bank
And caught that first flight to Japan
So fresh I almost got detained
But then I saw you at the gate

Ooooooh ya
Heavens on the way
Ooooooh ya
Final destination
Ooooooh ya
Making our escape
Ooooooh ya
Ooooooh ya

Untouchable
Diamonds flashing
From the ashes on the floor
Doves crying like it's 1984
Cause you and I together we're untouchable
Untouchable

Let's take some shots and fade away
And hit the spotlight on the stage
Can't take the heat get out the kitchen
Cause what we do's nobody's business

Ooooooh ya
Champagne in the shade
Ooooooh ya
Final destination
Ooooooh ya
Making our escape
Ooooooh ya
Ooooooh ya

Untouchable
Diamonds flashing
From the ashes on the floor
Doves crying like it's 1984
Cause you and I together we're untouchable
Untouchable
Untouchable

Untouchable
Diamonds flashing
From the ashes on the floor
Doves crying like it's 1984
Cause you and I together we're untouchable
Untouchable
Untouchable

Diamonds flashing
From the ashes on the floor
Doves crying like it's 1984
Cause you and I together we're untouchable
Untouchable
Untouchable

Yeah

Untouchable
