

Why did you do it

Dirty Vegas

I've been thinking 'bout what you have done to me
The damage is much deeper than you'll ever see
Hit me like a hammer to my head
I wonder where you pushed or where you led

Why did you do it?
Why did you do that thing to me?
Why did you do it?
Why did you do that thing to me?

My friends, they listen to the things I say
They listen and they hear more everyday
But I know they never understand it
Because it was no accident, you planned it

Why did you do it?
Why did you do those things to me?
Why did you do it?
Why did you do that thing to me?
Why did you do that thing to me?
