

Bow Down

Disciple

Every day there's a new serenade
That is pulling my ear to the ground
Every hour there's a new voice shouting
"I am the Way, I am the Truth, I am the Life!"

Every second another distraction
Is spitting its death in my face
But every threat's just a fly in the web
You won't take me alive or dead

The hand of the Father
Is my shield and my dagger
And I won't serve another god
The blood of Messiah
Is my torch and my fire
And I won't serve another god

The hand of the Father
Is my shield and my dagger
And I won't serve another god
The blood of Messiah
Is my torch and my fire
And I won't serve another god

You can set your idols all around me
And play your sacred sound
But I'll never bow down
I'll never bow down
You can take me to the highest mountain
And offer me a crown
But I'll never bow down
I'll never bow down

Every artery out of my heart
Is exploding with love for His name
Every ounce of my tongue and my mouth declares
"He is the Way, He is the Truth, He is the Life!"

Every sin that I've ever committed
Is thrown to hell by His grace
Now every threat's just a fly in the web
You won't take me alive or dead
You won't take me alive or dead

The hand of the Father
Is my shield and my dagger
And I won't serve another god
The blood of Messiah
Is my torch and my fire
And I won't serve another god

No I'll never serve another
No I'll never serve another

You can set your idols all around me
And play your sacred sound
But I'll never bow down

I'll never bow down
You can take me to the highest mountain
And offer me a crown
But I'll never bow down
I'll never bow down
I'll never bow down
I'll never bow down, no

Set your idols all around me
And play your sacred sound
But I'll never bow down
Take me to the highest mountain
And offer me a crown
But I'll never bow down
I'll never bow down

You can set your idols all around me
And play your sacred sound
But I'll never bow down
I'll never bow down
You can hold your riches high above me
Or make me live without
But I'll never bow down
I'll never bow down
But I'll never bow down
I'll never bow down
I will never bow down
I will never bow down

The hand of the Father
Is my shield and my dagger
And I won't serve another god
The blood of Messiah
Is my torch and my fire
And I won't serve another god

No I'll never serve another
No I'll never serve another
No I'll never serve another
There is no other God!
