

## Breaking Down

Disciple

It's time  
No more running away  
Here I am lying desperate on the floor  
I can't take any more

I'm breaking down  
I am breaking down  
God I need you now  
Can you put me back together  
Put me back together

With my face down  
No excuses for what I've done  
My hands reached out  
Deserving justice over love  
But I'm still crying out for life

I'm breaking down  
I am breaking down  
God I need you now  
Can you put me back together  
Put me back together

Cause I need you, I need a rescue  
And I'm trusting You won't let go of me

I surrender, I surrender  
I surrender all  
I surrender, I surrender  
I surrender all  
Don't let go of me while

I'm breaking down  
I am breaking down  
God I need you now  
Can you put me back together  
Put me back together
