

Stripped Away

Disciple

I don't want to feel like I can't trust you
Consequently be the last one I turn to
Denial doesn't need to be my friend
When I'm a healer that's in need of healing

Is it okay to not know
Not have the answers
And simply be someone
Who is searching for someone to save me

You're the only one that sees
The only thing inside of me

When it's all stripped away
Hidden underneath the clay
I am simply someone
Searching for You to save me

It's hard for me to stand upon this pedestal
When the light reveals it is a tainted angel
It seems that honesty
Has finally got me to confess
I can't save anything
