I'm calling all you, party people  
Come on, get up and dig that funk I have for ya  
I have a funky sensation  
That was spread around the nation  
Get up, clap your hands and feel the groove  
You see people like me need people like you  
To come together and enjoy the funky beat  
Take your time, relax your mind  
Come on, come on and dig my funky sensation, eh

Can you feel it? Can you feel it?

This funk is like an extra strength  
Pain reliever, I make you feel better  
Than you ever did before  
It is a pit indication  
It is a funk revelation  
Come on, come on and joy my funky sensation  
It's just a matter of time  
That you'll love relax your mind  
Come on shake it shake it don't break it  
I'm calling all you party people  
Come on and feel this funky sensation

You know what?  
Yeah, yeah, I see you creeping out there on the dance floor  
I want you to put the hands together like this, come on  
Yeah, you feel it, that's when you got oooh  
There you go, just move the left leg, that's it

Move your left leg (ya, with the beat come on)  
Put your right hand in the air (mm, that's it)  
Lean left, lean right, lean back come on

It's just the funky sensation  
Can you feel it? Can you feel it?
