

# Lavender

## Disclosure

I change the channel on you  
I'm on it  
I like the lace on you  
She about it  
Soft lips, soft skin, smooth hips, want everything  
And you got it

Get closer, baby  
I need you in my life  
Lady  
Get closer, baby  
You're the type I like  
Baby

No turning back now  
Ooh, got it  
Get it, got it, then I got it good  
I'm about it, they're misunderstood  
Girl  
She be fuckin' with my rhythm  
She be fuckin' with my rhythm  
Damn

She addicted to groove  
That's how I get her  
I set my sight and then move  
I'm better  
I see her look, double take, hear me say  
"Now let me see you shake"  
It's now or never

Get closer, baby  
I need you in my life  
Lady  
Get closer, baby  
You're the type I like  
Baby

I change the channel on you  
I'm on it  
I like the lace on you  
Care about it  
Soft lips, soft skin, smooth hips, want everything  
And you got it

Get closer, baby  
I need you in my life  
Lady  
Get closer, baby  
You're the type I like  
Baby

Y'all ain't never had a Compton niggas on this type of shit huh?  
Nigga still from the block, boo  
Je suis le meilleur  
Motherfucker  
Je suis le meilleur

High nights under lights  
I'm addicted to you  
Same game, different rules  
I got nothing to prove

High nights under lights  
I'm addicted to you  
I'll make the first move  
Same game, different rules  
I got nothing to prove  
I'll be the best you

High nights under lights  
I'm addicted to you  
I'll make the first move  
Same game, different rules  
I got nothing to prove

No turning back now

(Ever had, the best you ever had)  
(Ever had, the best you ever had)

I change the channel on you  
I'm on it  
I like the lace on you  
Care about it  
Soft lips, soft skin, smooth hips, want everything  
And you got it

Get closer, baby  
I need you in my life  
Lady  
Get closer, baby  
You're the type I like  
Baby

Ooh  
Ay, tell the boys to bring the clap back in  
There it is  
Is that lavender? I like lavender
