

So Cold

Disco Ensemble

Don't cry for me Argentina
Don't cry for me, don't cry for me
They say home is where your heart is
My heart's too cold, my heart's too cold

And I write it on my T-shirt with Italic Bold
Yeah, I write it on my T-
shirt to share the world my body and soul
I'm so cold

I want to live like a candle in the wind
Cry for me, please cry for me
There's a monumental emptiness inside of me
Yeah, I'm so cold, my heart's so cold

And I write it on my T-shirt with bright red and gold
Yeah, I write it on my T-
shirt to share the world my body and soul
I'm so cold

I sweat over your mountains and I piss into your lakes
My home is not a place with a flag or proper name
Just give me something to represent
Just give me something to feel

And I write it on my T-shirt with Italic Bold
Yeah, I write it on my T-
shirt to share the world my body and soul
Don't cry for me Argentina
My body and soul
Don't cry for me
My body and soul
