

## Runaway

Discount

tonight i'll run away  
tonight i'll run away  
tonight will be the night  
that i learn to fly  
i'll learn to fly, run away  
catch me - catch me  
tonight i'll explore my life.  
no it's finally time to let  
out all the bothers me  
and push all my anger away.  
like a small wanderer only to next door,  
but now i'm up and wondering about a lot more,  
a lot more.
