

# Let It Go

## Discrepancies

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation  
And it looks like I'm the king  
The wind is howling like the swirling storm inside  
Couldn't keep it in, heaven knows I tried

Don't let them in, don't let them see  
Be the good boy you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
You know I don't care what they're going to say  
Let the storm rage on  
(The cold never bothered me anyway)

It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all

It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You will never see me cry  
And here I stand, and here I'll stay  
Let the storm rage on

They say I'm as cold as December  
So I really hope they remember  
Never had your attention  
But now I'm right in the center  
Was never considered a winner, I wanted attention  
But now that I get it I feel like a victim  
Of every decision that I've ever made  
But I'm thinking I get it  
So call me bonkers, that's awesome  
Call me crazy, I'm with it  
I've got no problems with awkward  
There's beauty in being different  
Thinking they hear me 'cause I'm the man now  
I used to hope they would listen  
Just know that you grow when you stand out  
And let go of trying to fit in

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go

Turn my back and slam the door  
And here I stand, and here I'll stay  
Let it go, let it go  
The cold never bothered me anyway

Let it go, yeah  
Na na  
Here I stand  
Let it go, let it go  
The cold never bothered me anyway
