Alive

Dishwalla

Give up on this war
Lay your bullets down
What are we fighting for?
Does it matter now?

Are we killing in the name of love?
I can't remember why
Are we loving that we've given up?
It's all a lie

Tell me when you've had too much
'Cause I've had enough
I've had enough

Don't let this moment pass us by

Let's feel like we're alive
Feel like we're alive
Feel like we're alive
Feel like we're alive

Tear apart this wall
Blow it away
Rest those hammers down

Who are we building for?
Hoping someday
We'd survive to be let down

Are we building in the name of love?
I still believe that's right

You think this wall we built will be enough
To save our lives?

Tell me when you've given up
'Cause I'll hold you up
It could be enough

Until we feel alive
Feel like we're alive
Until I feel alive
Feel like we're alive

Don't speak too loud
"It's over"
But we can dream
Make new memories
Love is all I pray
Won't fade away

Until we are alive
Until we feel alive
Or end

So feel your heat beating
'Cause times only fleeting

Alive
Alive

Until we feel alive
Until we feel alive
Until we feel alive
Or end
