

## All She Can See

Dishwalla

I've never, I've never known such pure madness  
And for her it's all she can see  
I've never, I've never known such pure madness  
And for her it's all she can see

How she laid low, laid low on the floor  
How she yelled no, how she yelled with all of her heart no, no  
Still it's all she can see

How the pain ran deep  
How she holds her eyes to the ground  
What a waste of soul, what a waste

Never, never, never will she live without it  
Think about it, can she live without it?  
Never will she live without it, no

Still it's all she will see, no more, no more  
No, no, no more

Still it's all, it's all, all she can see  
Still it's all, it's all, all she can see  
Still it's all, it's all, it's all she can see
