

Disease

Dismantled

I live
I love
I take
I give
You chased
This dream
Now I fire
At will

So hold me
Feel me
Touch me
I'm free
Hold me
Feel me
f*ck me
I'm free

But don't trust this skin
Because I'm not a person, I'm a f*cking disease

Disease...

What's that
I hear?
You're lost

At sea
And your heart
It's cracked
Eggshells
On ice
So hold me
Feel me
Touch me
I'm free
You better hold me
Feel me
f*ck me
I'm free

But don't trust this skin
Because I'm not a person, I'm a f*cking disease

Disease...
I'm a f*cking disease

You f*cking whore...
