Black Sun

Dismember

Unholy alliance, science and the occult
A world war Legend still waiting to unfold
A military industry in underground death factories
Produce more and more esoteric weapons of war
Clandestine operations
Inhumane experimentations

Treading unknown paths, explore the bizarre Twist the tide, reverse the fortune of war

Unnatural sightings, mysterious Lights Dark secrets of the Reich The legacy of the black sun Burning bright in the sky

Are they lying in wait beneath the polar ice Or hiding in the dark side of the moon

Over 60 years have passed, legend remain unsolved As the war was lost they took their secrets to the grave Will they emerge from the shadow Vengeance and victory, rise to power once more
