

Someday

Disney

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live
And let live

Someday
Life will be fairer
Need will be rarer
And greed will not pay
Godspeed
This bright millennium
On it's way
Let it come
Someday

Someday
Our fight will be won then
We'll stand in the sun then
That bright afternoon
Till then
On days when the sun is gone
We'll hang on
And we'll wish upon the moon

And someday dark and bitter
Seems we haven't got a prayer
But a prayer for something better
Is the one thing we all share

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live
And let live

Someday
Life will be fairer
Need will be rarer
And greed will not pay
Godspeed
This bright millennium
Let it come
Wish upon the moon

One day, someday...

Soon

One day, someday...
I used to believe

In the days I was naive
That I'd live to see
A day of justice dawn
And though I will die
Long before that morning comes
I'll die while believing still
It will come when I am gone

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live and let live

Someday
Life will be fairer
Need will be rarer
Greed will not pay
Godspeed
This bright millennium
On it's way
Let it come someday

Someday
When we are wiser
When the world's older
When we have learned
I pray
Someday we may yet live
To live and let live

There are some days
Black and bitter
It seems we haven't got a prayer

But a prayer for something better

Is the one thing we all share

We all share
We all share

We all share...
Someday
Our fight will be one then
We'll stand in the sun then
That bright afternoon
Till then
On days when the sun is gone
Hope lives on
Wish upon the moon
Change will come
One day...
Someday...
Soon
