

Bats in the Belfry

Dispatch

old man river said
you can go your own way
if you just leave him alone
do not deliver all your things today
we are going home
oh mama we now so hungary

I got bats in the belfry
I'm in the kitchen, boiling society
I'm in the open catching all the leaves
we all see what we want

old man river...
oh mama we now so hungary

I got bats in the belfry
I'm in the kitchen, boiling society
I'm in the open catching all the leaves
we all see what we want

I have a crazy idiosyncrasy
it's affinity to serendipity
and in this eternal epiphany
no hypocrisy or duplicity

oh mama we now so hungary
