

## Drive

Dispatch

Daddy I want to drive today  
I wanna get up and go  
wanna find some time  
Mama I hear what you're sayin'  
I wanna feel alive and get inside

hey I wanna drive  
I'm alright if you're alright

tell me what to think  
it's been years since we've been  
flyin'  
show me what you're seein'  
I wanna feel alive wanna take this  
dive
