

Outloud / Don't Let Me Down

Dispatch

Would you be the wind to blow me home
Would you be a dream on the wings of a poem
And if we were walking through a crowd
Well you know I'd be proud

If you called my name out loud
If you called my name out loud
Do you suppose that I would come running
Do you suppose I'd come at all
I suppose I would
I suppose I would
I suppose I would, yeah

And if we were walking, down a dead end street
Would you be the one to let our eyes meet
Or would you just keep on walking down to the turnaround
'Cause you know I'd be proud

If you called my name out loud
If you called my name out loud
Do you suppose that I would come running
Do you suppose I'd come at all
I suppose I would
I suppose I would
I suppose I would, yeah

And if I was gone from the land we know
Would be the dawn and let your beauty still show
And if you were walking and heard the cold night coming
Would you call my name 'cause you know I'd come running

If you called my name out loud
If you called my name out loud
Do you suppose that I would come running
Do you suppose I'd come at all

Don't let me down
Don't let me down
Don't let me down
Don't let me down

Nobody ever loved me like she does
Oh, she does, yeah, she does
And if somebody ever really loved me
Oh, she loved me, yes, she loved

Don't let me down
Don't let me down
Don't let me down
Don't let me down

Oh I'm in love for the first time
Don't you know it's gonna last
It's a love that lasts forever
It's a love that had no past

Don't let me down

Don't let me down
Don't let me down
Don't let me down

Don't let me down
Don't let me down
Don't let me down
Don't let me down

Don't let me down
Don't let me down
Don't let me down
Don't let me down

You know I would
You know I would
You know I would
You know I would
I'd come running
I'd come running
I'd come running
I'd come running

I'd come running
I'd come running
I'd come running
I'd come running
I'd come running
I'd come running
I'd come running
I'd come running

If you called my name out loud
