Promise Land

Dispatch

One man get killed by a man sworn to protect him
We reeling and dealing and elect a white nationalist president
Unconvicted people just... just sitting in prison
Families are struggling to swim against... against the corporate system

Is this the promise land
Who is the promised man

He only talks when the chopper blades spinning
Chopper help the ego of the narcissist kidling
But we need to look at ourselves, it's more or less how we voted
What's that tell you now, tells you that we wrote it

Is this the promise land
Who is the promised man

Lordy I'm low
Lordy I'm low
Lordy I'm low
Hey mamma I'm Lordy I'm low

Lordy I'm low
Lordy I'm low
Lordy I'm low
Hey mamma I'm Lordy I'm low

And I guess it should come as no surprise
It's just you'd think that we''ve done better
With all the time, all the generations
And now we're on the edge of losing it all
If we don't kill each other, Mother Nature will
And can you blame her, all we have is each other, all we have is you

Is this the promise land
Who is the promised man

Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Lordy I'm low
Hey mamma I'm Lordy I'm low

Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Hey mamma I'm Lordy I'm low

Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Hey mamma I'm Lordy I'm low

Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Lordy I'm low (Is this the promise land)
Hey mamma I'm Lordy I'm low
(Is this the promise land)
