

What Do You Wanna Be

Dispatch

What do u wanna be
I don't know
And what do u wanna feel
I cant tell you
And what do u wanna see
I don't know
Just take me down to the watering hole

What do u wanna be
I don't know
And what do u wanna feel
I can't tell you
And what do u wanna see
I don't know
Just take me down to the watering hole

We're going, tiptoe
Back to the place that i know so
Oh wont you please just say so
Cause im not gonna leave until you let me go
Tiptoe back to the place that i know so
Oh wont you please just say so
Cause im not gonna leave until you let me go
