

# The Offering

**Distant**

I want to see you suffer, shroud in pain  
The sight of your children drown in your blood  
Condemned within the agony  
The anguish consuming thy wretched soul

Succumb to nothingness  
Suffer in mortal shell  
Succumb to agony  
Live for your sacrifice

Succumb to nothingness  
Suffer in mortal shell  
Succumb to agony  
Live for your sacrifice
