

# Open Your Eyes

Disturbed

You're paralyzed with your disguise  
You feed on the lies when they tell you  
Gotta break away from the numbing pain  
Succumb to the rage that's inside you  
You're hypnotized demoralized  
Believe every lie that they sell you  
Start channelling whatever will remains  
Discern from what's fiction and what is true

Open your eyes  
Open your eyes  
Open your eyes  
See through the disguise  
Won't you open your eyes!

You've lost your sense from the emptiness  
You do as the headlines compel you  
Come whole again and let the war begin  
Destroy the veneer that surrounds you  
There's no defense for your recklessness  
You stare as the proof lies before you  
Why can't you see, are you afraid to be  
Exposed to the demons around you?

Open your eyes  
Open your eyes  
Open your eyes  
See through the disguise  
Won't you open your eyes!

Open your eyes  
Open your eyes  
Open your eyes  
See through the disguise  
Won't you open your eyes!

You would all be runnin'  
In a world you cannot hide  
That the end is comin'  
For the limping standing in line  
Overcoming  
Let the fury build inside  
It can all be broken  
If you'd only open your eyes

Open your eyes  
Open your eyes  
Open your eyes  
See through the disguise  
Won't you open your eyes!

Open your eyes  
Open your eyes  
Open your eyes  
See through the disguise  
Won't you open your eyes!
